Sling TV is everything you love about live TV minus everything you hate Sling schedule app mac os.. Using your Mac and iPhoto, you can create slideshows You can even go a step further and include both pictures and soundtracks and slowly zoom in and out of photos employing the Ken Burns Effect, named after the documentary filmmaker.

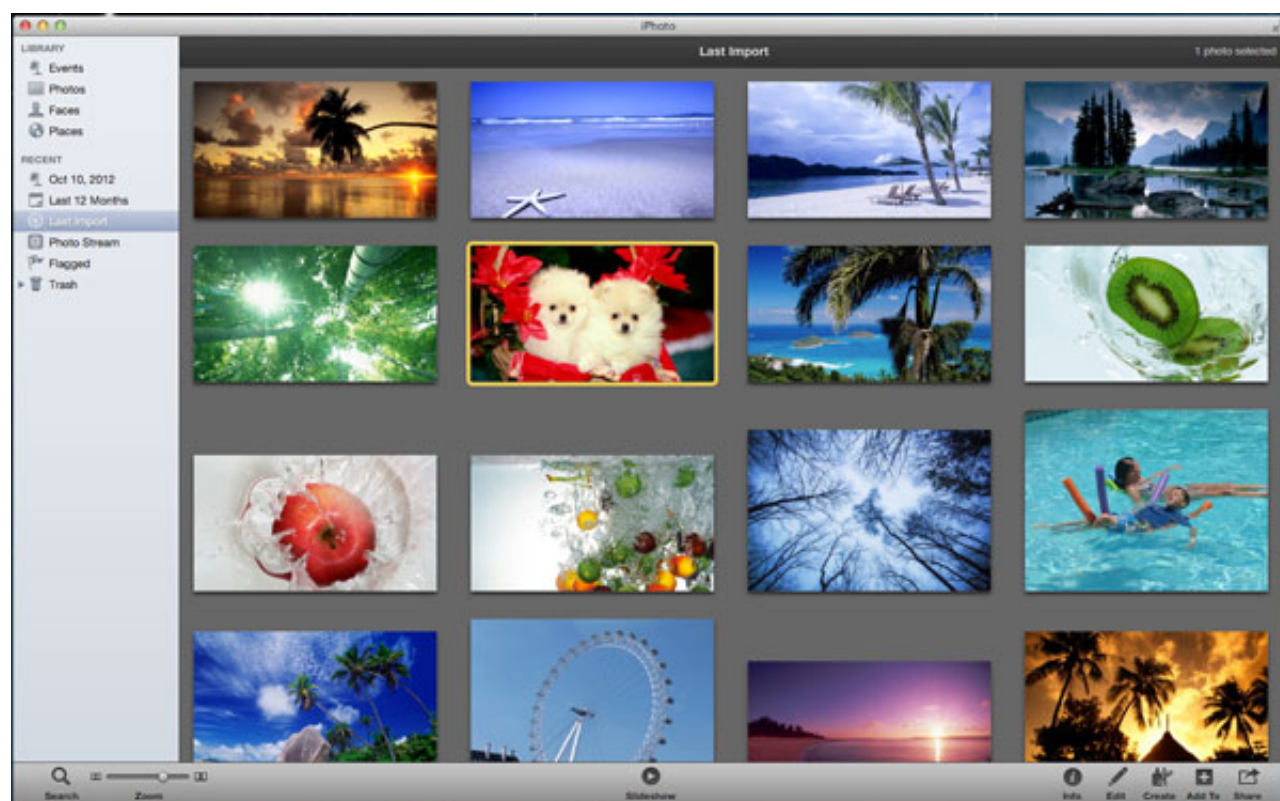

1. [create slideshow software](#)

To create a slideshow:Stream top live & on-demand entertainment - anytime, anywhere.. Create A Slideshow On A MacCreate A Slideshow On MacSlideshow On Mac ComputerView Slideshow On Mac.
