[Essay Healthy Information](#)

<p style="text-align: center;">WHERE</p> <p>Where did you <i>find</i> the information?</p> <p>Did you just 'come across' it? Or did you access it through a systematic search?</p>	<p style="text-align: center;">WHAT</p> <p>What is <i>it</i> (information/opinion) and what are the <i>key messages or results/findings</i>?</p> <p>Is it a research study, professional opinion, discussion, website or other?</p>
<p style="text-align: center;">HOW</p> <p>How has the author/speaker <i>come</i> to their conclusions?</p> <p>Is their line of reasoning logical and understandable?</p> <p>If you are looking at research or a review of research, how was it carried out? Was it done well? Do the conclusions reflect the findings?</p>	<p style="text-align: center;">WHO</p> <p>Who has <i>written/said</i> this?</p> <p>Is the author/speaker an organisation or individual?</p> <p>Are they an expert in the topic?</p> <p>Could they have any bias? How do you know?</p>
<p style="text-align: center;">WHEN</p> <p>When was this <i>written/said</i>?</p> <p>Older key information/sources may still be valid, but you need to check if there has been more recent work</p>	<p style="text-align: center;">WHY</p> <p>Why has this been <i>written/said</i>?</p> <p>To whom is the information aimed at – professionals or patient/client groups?</p> <p>What is the aim of the information?</p>
