Meme Review \*clap\* \*clap\*

0V10. I don't even know what's going on. Why is he going up a pipe to deliver present? I bought for 10 cents so I guess.... Finally made it. Never knew I could. The game is beat'able, but you definitely going to have to master dodging and game mechanics overall. It takes a while.

Can not recommend because the game was more pain in the\u2665\u2665\u2665\u2665\u2665to me than actual gameplay..

Well, it's not so bad for what it is and for its price..

But the game is absolutely no fun to play, at least to me, and the graphics aren't very great..

It's still a casual game to play when you're bored but ughhh.. It doesn't take more than 5 minutes for the game to\u2665\u2665\u2665\u2665\u2665me off.. Got it for 10 cents... Still dissapointed in this game..

Zwarte Piet ging uit fietsen,

Toen knapte zijn band.

Toen moest hij gaan lopen,

Met de fiets aan zijn hand.

Toen kwam hij bij 'n dorpje,

En zei tegen de smid:

"Ik geloof dat er in mijn Steam Library een \u2665\u2665\u2665\u2665\u2665 spel zit".

De smid begon te lachen

En gaf geen refund.

Toen kon Piet weer janken

Door heel Nederland.

En op het laatst gingen de zwarte te keer.

Hopelijk gebeurd dat volgend jaar niet meer.

2V10 BLACK PETE IS RACIST (xD)

. Ce jeu a 10 centimes vaut le coup pour y jouer , il a de simples m\u00e9canisme de jeu et de simple graphisme mais agr\u00e9able aux yeux , ce jeu ce rend particuli\u00e8rement addictif du fait que l'on voit ou nous nous situons au niveau mondiale du score et cela nous donne envies de le d\u00e9passer

Je recommande ce jeu a 1 euro mais si vous avez un bon d'achat comme moi prenez le :-). Hardest game ever. Achievements looks nice I guess. NO CARDS tho.. No.

Controls too hard, can't even reach the bosses in the trailer.. One of the worst games I have ever played.

Terrible gameplay experience and highly repetitive, not recommended
