People don't feel me, I think I'm really Michael Myers
You think it's silly, not givin' a fuck until the psycho fires
When I go higher, you said to me, "Why do you need a rifle, sire?"
My pill is to kill a man, I'm illin', yeah
snipe your eye, I light your fire
Leave us, now he's after Jesus-ah
Happy Holidays, I'm f'ing Ebenezer-hah
Oh, what a teaser, he was not a bleeder
But you need to believe that I feed, I'm eager-hah, hah
Yeah, I heard what he said
He ain't able to spit another verse when he dead
Burnt a nigga, serve him the curb then he bled
With Bourbon, I swerved to put his hearse in the bed
(Cha!) Yeah (Cha!), you niggas gotta
be kiddin' me, not even hittin' me
'Bout to get your bodily stiff and the ought to be kissin' me ass bad
That'll be sad because the nigga's about to get stabbed, jab!
